NEW UNIT MAKING A BIG DIFFERENCE

The Sheriff's Office kicked off 2025 by introducing its new Community Impact Unit, which in its first several weeks has conducted speed saturations, coordinated an apprehension in St. Paul and assisted with a violent incident in Scandia in a moving vehicle — and, after a traffic stop where the driver fled, arrested a person with active warrants for felony threats of violence, gross misdemeanor domestic assault and felony fleeing police. The countywide patrol unit's leader, WCSO veteran Sgt. Joe Stoehr, explained that CIU combines the Special investigations Unit with the Special Enforcement Team to help bring a more concentrated approach to street-level community concerns like speeding and other traffic safety issues, but also to address complaints ranging from barking dogs to junk houses. "We can be more consistent and come up with more creative solution in addressing things," Sgt. Stoehr said, like working directly with residents and property owners or coordinating discussions between residents and city staff. CIU has four dedicated patrol officers and specially marked black squads. Be sure to follow the [WCSO Facebook page](#), where we'll be posting updates on CIU's efforts!

WC25002754 HOUSE FIRE

12XXX MORRIS TRAIL N

Just before 4:30pm on Jan. 15, deputies responded to a report of a house on fire. Upon arrival, deputies learned that the two occupants were out of the home and sitting in a vehicle nearby. Both men had singed hair and were coughing, with some difficulty breathing. They were later both transported to a hospital for evaluation. Scandia and Marine on St. Croix fire departments contained the fire and called the state fire marshal to inspect the site because of the amount of damage to the home. Later, the fire marshal reported finding a small red gas can in the entrance to the lower level, which was where one of the residents slept and used a space heater as the home's furnace wasn't being used. After initial suspicion because of the gas can that the fire may have been intentional, it was determined that the can had never contained gas and that the fire most likely was caused by the space heater on the lower level. No further investigation was required.

MESSAGE FROM THE SHERIFF

In addition to the new Community Impact Unit highlighted on the front page of this month's newsletter, the Sheriff's Office is also pleased to introduce a few leadership transitions in several of our communities, with a goal of continuous improvement, fresh perspectives and adaptability in mind. Newly assigned sergeants began their positions on Jan. 2, 2025, in Hugo, Newport, Lake Elmo and the Lake St. Croix Valley communities of Afton, Lake St. Croix Beach, Lakeland, Lakeland Shores and St. Mary's Point. These veteran sergeants will not only lead their deputies, they will also actively patrol and serve as community liaisons. All Sheriff's Office liaisons and contact information are listed each month at the bottom of this page — please reach out to them with questions and concerns.

Another change to note for the New Year: Following the rest of Washington County, all Sheriff's Office emails now have a new extension: @washingtoncountymn.gov. Emails sent to the former extension, @co.washington.mn.us, will still go through for a period, but you might consider updating your contacts to make sure you don't miss anything from us!

In service,

Sheriff Dan Starry
