MONTHLY NEWSLETTER | JUNE 2025

WATER SAFETY REMINDERS

Summer officially begins June 20, and Minnesotans are ready to hit the water! Whether it's fishing, swimming, paddling, or boating on one of Washington County's 251 lakes, there's no shortage of ways to enjoy time outdoors.

While it's always a good idea for everyone to wear a life jacket when boating, did you know that Minnesota law requires all children under the age of 10 to wear one? Also, those using a canoe or kayak are required to wear a life jacket while on the water. The same law applies to operators of personal watercraft (PWCs), such as Jet Skis.

One of the most important reasons to wear a life jacket is the cold shock response. This reflex occurs when your body is suddenly exposed to cold water, typically below 70°F. It triggers several automatic physiological reactions, including the gasp reflex, hyperventilation, vasoconstriction (which leads to a loss of dexterity), and can overwhelm even the strongest swimmers, increasing the risk of drowning.

The Sheriff's Office Water, Parks, and Trails Unit will be out too, promoting outdoor safety. Licensed deputies and specially trained reserves patrol rivers, lakes, and parks to ensure everyone has a safe and enjoyable time. Many of them will tell you that patrolling the water or a beautiful park is one of the best jobs around!

WC25025286 TRESPASSING

14XXX OLD GUSLANDER TAIL N

At 9:52am on May 14, a deputy arrived to speak with a homeowner about a deer stand and trail camera that had been placed on the property without permission. The homeowner suspected a neighbor, who had previously claimed to hunt deer year-round. The deputy then went to the neighbor's home. No one was there, so the deputy left a business card with a request to call about the matter. The deputy also spoke with a DNR officer, who advised that the homeowner could remove the unauthorized stand but should also post the property line to avoid future problems. The homeowner planned to removed the items if the stand was still there after the weekend. The next day, the deputy received a call from the neighbor, who reported not being aware of crossing the property line. The neighbor promised to take down the stand and trail camera.

MESSAGE FROM THE SHERIFF

This month, we take a moment to honor Deputy Chris Majeski and K9 partner Jake (*top photo*), who will retire this summer. These two have been partners for nearly 10 years as part of WCSO's nationally top-ranked K9 team. Retirement means Jake will now get to live the family life with the Majeskis, full of treats, affection and fun. We thank him and Deputy Majeski for their excellent work and special partnership. Details of K9 Jake's retirement will be available soon.

While it's hard to say goodbye, we're also happy to welcome new K9 Mack officially to the team. After four months of training with Deputy Ross Peterson, graduation was May 22. We look forward to seeing how they work together as they serve our communities.

Finally, don't forget that Saturday, June 14, is National Get Outdoors Day, when all U.S. state parks are free to visit. Closer to home and year-round, Washington County offers free access to all eight of its beautiful county parks on the first Tuesday of each month, with upcoming summer dates on June 3, July 1, Aug. 5 and Sept. 2. Have fun out there, and most importantly, please be safe!

In service,

Dan Starry
