NEW AI SOFTWARE FOR ECRC TRAINING

The Washington County Sheriff's Office is purchasing a new state-of-the-art program called CommsCoach to help train and support its public safety telecommunicators in the Emergency Communications Response Center (ECRC). CommsCoach is an AI-enhanced software application that provides real-time performance feedback, skill-building prompts, and scenario-based coaching.

By integrating CommsCoach, the ECRC aims to elevate training quality, promote employee development, reduce performance-related errors, and increase caller satisfaction and responder safety. This tool will also support supervisor efficiency by streamlining coaching documentation and follow-up.

CommsCoach integrates seamlessly with call-taking and computer-aided dispatch (CAD) systems to deliver:

- Real-time micro coaching during live emergency calls.
- Skill tracking and trend analysis that identify performance strengths and improvement areas across individuals and teams.
- Scenario replay and training reinforcement.
- Alignment with national standards.

WCISO looks forward to using this innovative technology to continue delivering the highest-quality service to all of our communities.

WC25031108 TRAFFIC STOP

ST. CROIX TRAIL N

At 2:16pm on June 12, a deputy responded to a report of a black pickup truck with a trailer that was swerving, driving at various speeds and nearly hitting another driver head on. The deputy spotted a truck matching the description and followed, observing the driver swerving over the fog line as well as holding a cell phone up to his ear. After the deputy initiated a traffic stop, the driver admitted being on the phone but also said the trailer was difficult to control, which was making the truck swerve. The deputy issued a citation for the use of a wireless communication device while driving and a verbal warning for failing to stay in a lane.

WC25033003 WATERCRAFT ASSIST

SQUARE LAKE

Just before 1pm on June 22, a deputy from the WCSO Water, Parks & Trails Unit received a call that two paddleboarders were stuck on the far side of the lake from where they had launched, due to high winds. They requested help getting back. The deputy retrieved the paddle boarders, who were uninjured, and helped get them back to their launch site.

MESSAGE FROM THE SHERIFF

Recently, I announced I will not seek a third term as Washington County Sheriff in November 2026. I am grateful for the opportunity that the citizens of Washington County have afforded me, and I look forward to completing my term ending in January 2027.

It has been a true privilege and honor to be able to work with the finest in law enforcement since 1993, when my journey began as a deputy for the Washington County Sheriff's Office. Serving as Sheriff since 2017, following in the footsteps of remarkable leaders, has been an extraordinary honor.

Serving you has been a privilege — thank you! The unwavering support from residents, business leaders, and elected officials in Washington County has been a cornerstone for our law enforcement community. This support has fueled our determination and dedication to ensure the safety of everyone who lives, works, or visits here. Washington County continues to be safe and thriving due to the exceptional quality of our law enforcement and first responders. I take great pride in the achievements we've accomplished together at the office.

Looking ahead, I plan on spending more time with my wife, children and grandchildren, as we travel and explore the country.

It is an honor to serve as your Sheriff.

In service,

Dan Starry
