BACK-TO-SCHOOL SAFETY REMINDERS

As summer ends and students start to head back to school, safety is critical for those walking, biking, or taking the bus. Pedestrian and cyclist crashes with vehicles are rising, and they most often happen where people feel safest: crossings controlled by stop signs or signals. The Sheriff's Office urges everyone to keep these tips in mind:

DRIVERS

- Stop completely at least 10 feet from crosswalks or one full car length from pedestrians.
- Look right before turning right.
- Watch for people approaching from behind or the opposite direction when turning.
- Give cyclists at least three feet when passing.
- Slow for school buses with yellow flashing lights, and STOP for red flashing lights and cross arm. It's state law!

PEDESTRIANS

- Obey all traffic signals, signs, and barricades.
- Make eye contact with drivers.
- Treat each lane as a separate risk when crossing.
- Use sidewalks and paths; if unavailable, walk against traffic.
- Wear reflective gear or carry a light in the dark.

Everyone shares the road. Stay alert, be visible, and be predictable.

BICYCLISTS

- Ride in the direction of traffic when on roads or shoulders.
- Obey all traffic signs and signals; treat stop signs as yields only if the intersection is clear.
- Signal when turning, if able.
- Use lights and reflectors in low light.

WC25035329 TRESPASSING

ARCOLA BRIDGE

At 12:25am on July 4, deputies responded to a report that people were shooting fireworks off the Arcola Bridge toward boats on the St. Croix River. Enroute, deputies asked dispatch to contact the railroad to stop all rail traffic. Upon arrival, deputies found two empty cars parked near the bridge in a clearly marked no-parking zone. The deputies began walking on the tracks toward the bridge, passing several no-trespassing signs. They could see multiple people on the tracks near the bridge, with one using a cell phone as a flashlight. The group of four 19-year-olds were standing directly under a no-trespassing sign. They admitted to lighting the fireworks but said any fireworks that had landed near boats had been accidental. The deputies confiscated several unlit illegal fireworks from two of the individuals. After walking the group back toward the squad cars, the deputies were able to positively identify each of the four. They all were cited for trespassing; two were cited for possession/use of fireworks, both misdemeanors.

MESSAGE FROM THE SHERIFF

We've now passed that turn in summer specific to our county, with the end of the Washington County Fair. We thank all of you who stopped by to visit our booth and connected with us, checked out our new Mobile Command vehicle and watched our amazing K9 team demonstrations.

Summer may be coming to an end, but things don't slow down for us here at the Sheriff's Office. In early July, deputies alerted the East Metro Human Trafficking Task Force to investigate the case of a 14-year-old girl brought to one of our communities, and subsequently several other young girls, which led to the arrests and charging of two men.

Our deputies on the Washington County Drug Task Force have been steadily interrupting the flow of narcotics and guns into our communities. Seizures as of July 1 included 7.1 kilograms of marijuana, 1.4 kilos of cocaine, 4.45 kilos of methamphetamine, ¾ pound of fentanyl powder, 495 doses of hallucinogens and 16 firearms. One highlight: the Drug Task Force had information about a vehicle coming from Chicago with fentanyl powder. The vehicle was stopped in Lake Elmo; ½ pound of fentanyl was seized and two arrests were made.

And, on July 30, the WCSO Community Impact Unit teamed up for speed enforcement with agencies in Dakota, Ramsey, Anoka, Chisago, Isanti, Pine and Kanabec counties. With a goal of reducing some of the unsafe driving behavior we see daily, the results were notable: 75 officers made 645 stops, and WCSO wrote 28 citations in four hours, including a driver going 91mph in a 60 zone.

We hope you enjoy these last weeks of summer, in safety and with the knowledge that our dedicated team of professionals is always on the clock, no matter what the season.

In service,

Dan Starry
