**WASHINGTON COUNTY, MINNESOTA**  
**OFFICIAL TOWN BOARD MINUTES**  
**January 31, 2022**

The Board of Supervisors of the Town of May convened a special board meeting on Tuesday, January 31, 2022, via virtual telephone/video conference. Those present included: Board members John Adams, John Pazlar, and Steve Magner; Clerk/Treasurer Linda Tibbetts. Chair Adams called the meeting to order at 2:03 p.m.

Notice was posted on the township's website and at the Town Hall more than 72 hours prior to January 31, 2022.

The sole purpose of the special meeting is to review and consider changing the consulting form for the 201 Sewer System.

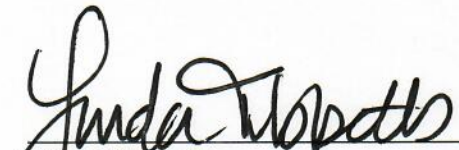

Adams explained to the board township's frustration and non-satisfaction with the current provider of the 201 Sewer System, Natural System Utilities. In working with WSB and reviewing costs and services from other providers, Adams found PeopleService to be fair and reasonable as the replacement provider of the 201 Sewer System.

Adams moved, seconded by Pazlar, to grant the chair authority to terminate the contract with Natural System Utilities and enter a contract with PeopleService for the 201 System. By Roll Call Vote: Adams: YES; Pazlar: YES; Magner: YES. Motion passed.

Meeting ended at 2:07 p.m. without objection.
